

TOWN OF CARLTON ----- Building Permit

WISCONSIN UNIFORM DWELLING CODE

CHS. 320 -325

State Statues

According to above no ground movement or construction shall commence without first getting a permit to construct or build any project that requires a permit from local Town Government or so appointed Zoning Admin. Permit shall be given as it meets all local setbacks and requirements set forth by Government and Local Zoning .

If permit is not obtained prior to start, owner and contractor may and will be subject to fines / per day and removal of any work initiated without valid permit. It is property owners responsibility.

If Town is notified about invalid non permit construction, permits will be penalized 4x original cost and removal pending decision or fine/day.

Authorized/Date

Chairman: Daniel H. Hootke Feb 11, 2020
